

Things that we really
want know about
our potential mates.

Reality Dating Application

Warning: If you complete this form it could be used against you in future arguments, poker games, if you decide to run for office, and if worse comes to worse you'll find it posted on the world wide web for all your friends, family, and co-workers to see.

First Name: _____

Last Name: _____

Address: _____

Phone Number: _____

Age: _____

(please attach copy of birth certificate to application)

Weight: _____ Height: _____

(not what you put on your driver's license)

1). How many times a week do you bathe/shower?

___ None (afraid of being sucked down the drain)

___ 1-3 (when flies mistake me for a pile of shit)

___ 4-6 (high hopes of getting intimate with someone)

___ 7 or more (have every brand of shower gel on the market and not enough days in a week to try them all)

2). Do you leave brown stripes in your underwear?

___ Yes, I believe in conserving toilet paper.

___ No, I don't wear underwear.

3). How often do you wash your bedding?

___ Daily (must be a nympho)

___ Once a week (at the carwash)

___ Yearly (when I get my tax refund)

___ Never (haven't brought a date home in years)

4). What are your shopping habits?

___ I prefer shopping at garage sales. (leaves more money to buy my booze with)

___ I prefer shopping at discount stores. (can buy ten times more junk food for less)

___ I prefer shopping at the mall. (great place to check out cute butts)

___ I prefer to shop at all the finer stores (until all the credit cards are maxed out)

___ I don't pay for anything, I just take it.

5). You are sitting in your recliner watching television and sneeze a juicy one, what do you do?

- Wipe my nose on my sleeve then give someone a great big hug.
- Wipe my nose with the remote.
- Yell for someone to bring me a tissue, then hide/stuff it down the chair when I'm done with it.

6). You are cuddling with your sweetheart in bed and feel gas pressure building, what do you do?

- Excuse myself and make a mad dash to the bathroom.
- Let it blow and brag about how I made the windows shake.
- Blast the stink bomb then toss the covers over both our heads so we can enjoy the juicy aroma.
- Let it leak out silently and blame it on the dog.

7). The toilet breaks and needs repaired, what do you do?

- Get the duct tape out and fix it myself.
- Wait and see if it will miraculously fix itself.
- Hire someone to fix it.
- Choose to do nothing and use the gas station's restroom for the rest of the year.

8.) How do you feel about washing dishes?

- Love playing in bubbles and beg for people to dirty more dishes.
- Only when company is coming.
- Out of the question, I might break a nail.
- I'm allergic to dish soap.
- I consider dirty dishes to be a work of art and stack them all over the house/apt. as decorations.

9). How do you feel about mowing the lawn and misc. yard work?

- Can't wait to get the rider out so I can chase the neighbor's cat around the yard.
- Hire a lawn care company.
- Just set it on fire once a year.
- Do nothing at all, I enjoy living in a jungle.

10). Your dog accidentally takes a dump inside, what do you do?

Wait a couple days, wrap it up and toss it into the lost & found box at work.

Call my mom and have her come clean it up.

Ignore it and hope it will go away.

Call 911 and tell them I have an emergency.

11). Which best describes your cooking?

I must be an excellent cook because everyone I know eats at my house.

I burn everything and the dog refuses to eat it.

I have all the delivery places on speed dial.

I don't cook, I have my own personal chef.

12). You are driving down the highway and notice your ex's car pulled over with a flat tire, what do you do?

Pull over and grab my old cd player out of the car while they are changing the flat.

Drive by and act like I don't see them.

Blow the horn and yell out the window "It sucks to be you".

I hereby attest and verify that the information I have provided in this application is absolutely false and misrepresented. I understand that any true information which may be deliberately provided by me may lead to disqualification.
